

WESTSIDE UNITED SELECT SOCCER PROGRAM

FOR IMMEDIATE RELEASE

April 26, 2009 (updated June 3, 2009)

2009-10 Westside United Coaching and Training Staff Announcement

Westside United Select Soccer Program is pleased to announce the 2009-10 Westside United coaching staff. Our program is dedicated to providing a coaching and training staff that is well qualified and technically superior to both train and inspire our players. Our staff consists of many experienced youth soccer coaches from the Northwest, several international coaches, as well as members of both the Seattle Sounders FC and the Seattle Sounders Women.

The program believes in training our players and teams with a combination of professional coaches and trainers and qualified, licensed and experienced volunteer youth coaches - thus allowing our players the best opportunities in training and development while still providing a means for volunteer participation in the program. Westside United's hand-selected youth sports staff impacts every player in the club. Quality, licensed coaches and trainers, many that are still very active in the game, provide an important environment in which we train our players and teams for success in soccer and life.

We are fortunate to have the following licensed coaches and trainers on our Westside United Select Soccer Program staff for the 2009-10 season:

Boys U11 Westside United
